# Historical DEKALB COUNTY

D

eKalb County is rich in history. Settlers came in 1834 for our fertile soil, hunting, and food supply. The county was named in honor of Johann de Kalb, a German hero of the American Revolutionary War.

DeKalb County's industrial heritage is rooted in the agriculture industry. Barbed wire manufacturing was a booming business in 19th century DeKalb. The Sandwich Manufacturing Co. and Marsh Harvester Co. produced farm machinery; Gurler Brothers Pure Milk used early scientific processes to deliver a quality product to customers. DeKalb AgResearch created the famous "flying ear" logo for its revolutionary hybrid seed corn – the company was later acquired by Monsanto, which later merged with Bayer.

DeKalb also is home to Northern Illinois University, a public research university with 17,000 students, which was founded in 1895.

There are many guided and self-guided tours throughout our county. Some of our most notable attractions in DeKalb are the Egyptian Theatre, one of the last Egyptian movie palaces in the United States, the Ellwood House Museum, the Haish Memorial Library, and Altgeld Hall. In Sycamore you will find the historic Elmwood Cemetery, The Chicago and Northwestern Depot, and the Marsh House. In Sandwich, visit the Sandwich City Hall and Opera House as well as the Von Kleinsmid Mansion.

A full schedule of tours and events is available through the DeKalb County History Center website: [dekalbcountyhistory.org/programs](http://dekalbcountyhistory.org/programs).

# Fresh off THE FARM

**D**eKalb County has always been known for agriculture, and the county is credited with being the birthplace of the Farm Bureau movement. We also have a community garden based in DeKalb to help all of our local families to have access to farm-fresh products.

We pride ourselves on having farm-to-table options for produce, and the area is home to several family orchards and farms to visit for fresh produce. Don't forget to visit our famers' markets for fresh produce and homemade food, wine and pastries.

A number of DeKalb County farms also have activities for the entire family. Jonamac Orchard in Malta offers a corn maze, an apple cannon and a barnyard tour for the children. Yaeger's Farm Market in DeKalb and area farm and produce markets offer seasonal activities as well. For more information, visit the sites listed in this section.

# Sports & RECREATION

We offer many fun-filled recreational activities in our county including kayaking, fishing, ice skating, disc golf, biking, golf, camping, and hiking. DeKalb County also offers horseback riding, skateboarding, skydiving, swimming, and so much more.

If golf is your game, visit one or all eight of the public golf courses in our county. If miniature golf is more your speed we have that too! And you might want to try one of our disc golf parks.

Looking for fun in the great outdoors? Shabbona Lake State Park in Shabbona, called the "Muskie Capitol of Illinois," holds four state Muskie fishing records. They offer camping sites, cabins, pontoon boats and kayak rentals.

DeKalb County has an active sports scene, with many regional events held here. We are home to the NIU Huskies' NCAA Division I athletics program as well as the DeKalb County United, who competes in the United Premier Soccer League. NIU Huskie Stadium also hosts the IHSA football tournament odd-numbered years through 2021, while the NIU Convocation Center is home to men's and women's basketball as well as a variety of other events.

DeKalb County boasts an abundance of forest preserves and parks. Among our three major trails is the Great Western Trail. Over 17 miles long, it is a favorite for biking or snowmobiling. It connects with another trail system that runs close to Chicago. If you are looking for a local excursion, the DeKalb/Sycamore Trail connects local parks for convenient rest stops or for picnic and play. The Kiwanis Pathway Trail starts in DeKalb's beautiful Prairie Park and passes along the West side of NIU campus where it connects with the DeKalb/ Sycamore Trail.

Other local parks, such as Lions Park in DeKalb, offer play areas and shelters to host a party or picnic. Several offer winter ice skating. For sledding and cross country skiing, Russell Woods in Kingston is a favorite. It hosts a Winterfest every January which includes horse-drawn wagon rides and plenty of entertainment and activities.

# Bold SPIRITS

A unique array of distilled spirits, wine, hard cider and craft beers are made right here in DeKalb County.

The DeKalb County CVB created the Bold Spirits group, which includes Byers Brewing Company, Forge Brewhouse, Jonamac Orchard, Keg and Kernel, Prairie State Winery, Waterman Winery & Vineyards and Whiskey Acres Distilling Company.

Each partner offers distinctive tastes. The Forge Brewhouse offers 13 rotating beers, Prairie State Winery offers flights of more than 30 wines daily, Jonamac offers apple wines, hard cider and Apple Ale grown from their own apples at the orchard. Waterman Winery offers five wine tastings for only \$5.

Whiskey Acres is the only distillery to have whiskey, bourbon and vodka all made from corn. Come try your favorite or schedule a tour to visit all locations. For more information, visit their sites listed in this section.

# SPIRITS

The Midwest is known for its craftsmen. They are the hard-working men and women who take pride in their work—rugged individuals who spend long hours driven by the desire to produce perfection with their own hands. From farming to furniture-making, industry to small business – this legendary work ethic is more than just an ideal, it's a part of the culture.

Nowhere is this pride of craftsmanship more apparent than within the brewers, wine-makers, and distillers of DeKalb County. From award-winning wines to signature craft beer to hard spirits enjoyed by visitors worldwide, these makers produce bold flavors that can't be found anywhere else.

Sandwich is home to the Sandwich Fair, which has been held every year since 1889, making it the oldest continuing county fair in the State of Illinois. The rural community is also known as a haven for antique hunters, with over a dozen shops offering antiques and other unique home décor and specialty items. Among our many restaurants is the Bull Moose Bar & Grille, housed in a 1893 Pullman Palace Car Company dining car, once used by President Teddy Roosevelt. For entertainment, catch a show at the historic Sandwich Opera House built in 1878 that features family-friendly live music and theatre. We look forward to seeing you in our "fair" city.
